Invitation Bulletin, v2
Jan. 7th 2021

INVITATION BULLETIN

Dear friends,

Nature has reduced our freedom to experience gliding during the last year. Gliding competitions were barely possible during the last summer on the northern hemisphere. With patience and optimism, the organizing team of the 36th World Gliding Championships in Stendal is now continuing the preparations for the contest.

We updated the invitation bulletin with the new schedule for 2021. Unfortunately, the increased organizational effort due to the Covid-19 pandemic forced us to request a higher entry fee. This is pending approval of the IGC during the next plenary session.

We are looking forward to see you in Stendal in 2021. Stay healthy!

Henning Schulte, Contest Director

Andreas Wenzek, Chairman of
the Federal German Gliding
Commission
